

Online Banking Agreement and Disclosure

This Online Banking Agreement and Disclosure ("Agreement") establishes the terms and conditions for Online Banking and Online Banking Bill Pay services ("Services") provided by Mechanics Bank. As used in this Agreement, the words "we," "our," "us," and "Bank" mean Mechanics Bank and the words "you" and "your" mean the owner(s) of the account(s) and any "agent" appointed by or on behalf of the owner(s) to sign on the account(s) in a representative capacity. This Agreement is a legal contract between you and the Bank and sets out the terms and conditions of your use of the Services. Please read this Agreement carefully and keep a copy for your records because it contains important information and guidelines for using the Services.

In addition to this Agreement, you and the Bank agree to be bound by and comply with the terms and conditions of the Bank's Account Agreement, the Schedule of Fees and Charges and any other disclosures provided to you in connection with your accounts (collectively "Disclosures"). Your use of the Services is your acknowledgment that you have received these Disclosures and intend to be bound by them. To the extent that this Agreement is inconsistent with any of the terms and conditions contained in the Disclosures, the terms and conditions of this Agreement shall prevail with respect to the Services. If you should need another copy of any of the Disclosures, please call us at 1.800.797.6324, visit one of our offices or print a copy from our web site.

Your use of any of the Services may also be affected by the agreements between you and us for your linked accounts. When you link an account to the Services, you do not change the agreements for that account. For example, when you use the Services to access a credit account, you do so under the terms and conditions for the credit account. You should review those agreements for any limitations on the transactions you can make, any applicable fees or other restrictions that might impact your use of an account with the Services.

ONLINE BILL PAY SERVICES ADDENDUM

In addition to the foregoing, the following apply specifically to Online Banking Bill Pay Services (Bill Pay Service).

GENERALLY

If you apply and are approved for our Bill Pay Service, you agree that payments may be made only from an eligible checking account. If you link more than one checking account to the Bill Pay Service, you must specify which account you wish to use in making payments. You may not initiate payments from a checking account that requires more than one signature for withdrawals or from a money market or certificate of deposit account.

Please carefully read this Online Bill Pay Services Addendum, regarding bill payment services provided by Mechanics Bank through CheckFree, a Fiserv Company, as it contains important information and guidelines for using the Bill Pay Service.

DEFINITIONS the following are definitions related to the Bill Pay Service.

Agreement- these terms and conditions of the Bill PayService.

Biller- the person or entity to which you wish a bill payment to be directed or is the person or entity from which you receive electronic bills, as the case may be.

Billing Account- the checking account from which all Service fees will be automatically debited.

Bill Pay Service- the bill payment service offered by Mechanics Bank, through CheckFree, a Fiserv Company.

Business Days- Monday through Friday, excluding Saturdays, Sundays and federal holidays.

Due Date- the date reflected on your Biller statement for which the payment is due; it is not the late date or grace period.

Payment Account- the checking account from which bill payments will be debited.

Payment Instruction- the information provided by you to the Bill Payment Service for a bill payment to be made to the Biller (such as, but not limited to, Biller name, Biller account number, and Scheduled Payment Date).

Scheduled Payment- a payment that has been scheduled through the Bill Pay Service but has not begun processing.

Scheduled Payment Date- the day you want your Biller to receive your bill payment and is also the day your Payment Account will be debited, unless the Scheduled Payment Date falls on a non-Business Day, in which case it will be considered to be the previous Business Day.

PAYMENT SCHEDULING

The earliest possible Scheduled Payment Date for each Biller (typically five (5) or fewer Business Days from the current date) will be designated within the application when you are scheduling the payment. Therefore, the application will not permit you to select a Scheduled Payment Date less than the earliest possible Scheduled Payment Date designated for each Biller. When scheduling payments, you must select a Scheduled Payment Date that is no later than the actual Due Date reflected on your Biller statement unless the Due Date falls on a non-Business Day. If the actual Due Date falls on a non-Business Day, you must select a Scheduled Payment Date that is at least one (1) Business Day before the actual Due Date. Scheduled Payment Dates must be prior to any late date or grace period.

BILL PAY SERVICE GUARANTEE

Due to circumstances beyond the control of the Bill Pay Service, particularly delays in handling and posting payments by Billers or financial institutions, some transactions may take longer to be credited to your account. The Bill Pay Service will bear responsibility for any late payment related charges up to \$50.00 should a payment post after its Due Date as long as the payment was scheduled in accordance with the guidelines described under "Payment Scheduling" in this Agreement.

PAYMENT AUTHORIZATION AND PAYMENT REMITTANCE

By providing the Bill Pay Service with names and account information of Billers to whom you wish to direct payments, you authorize the Bill Pay Service to follow the Payment Instructions that it receives through the payment system. In order to process payments more efficiently and effectively, the Bill Pay Service may edit or alter payment data or data formats in accordance with Biller directives.

When the Bill Pay Service receives a Payment Instruction, you authorize the Bill Pay Service to debit your Payment

Account and remit funds on your behalf so that the funds arrive as close as reasonably possible to the Scheduled Payment Date designated by you. You also authorize the Bill Pay Service to credit your Payment Account for payments returned to the Bill Pay Service by the United States Postal Service or Biller, or payments remitted to you on behalf of another authorized user of the Bill Pay Service.

The Bill Pay Service will use its best efforts to make all of your payments properly. However, the Bill Pay Service shall incur no liability and any Service Guarantee shall be void if the Bill Pay Service is unable to complete any payments initiated by you because of the existence of any one or more of the following circumstances:

1. If, through no fault of the Bill Pay Service, your Payment Account does not contain sufficient funds to complete the transaction or the transaction would exceed the credit limit of your overdraft account;
2. The payment processing center is not working properly and you know or have been advised by the Bill Pay Service about the malfunction before you execute the transaction;
3. You have not provided the Bill Pay Service with the correct Payment Account information, or the correct name, address, phone number, or account information for the Biller; and/or,
4. Circumstances beyond control of the Bill Pay Service (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and the Bill Pay Service has taken reasonable precautions to avoid those circumstances.

Provided none of the foregoing exceptions are applicable, if the Bill Pay Service causes an incorrect amount of funds to be removed from your Payment Account or causes funds from your Payment Account to be directed to a Biller which does not comply with your Payment Instructions, the Bill Pay Service shall be responsible for returning the improperly transferred funds to your Payment Account, and for directing to the proper Biller any previously misdirected transactions, and, if applicable, for any late payment related charges.

PAYMENT METHODS

The Bill Pay Service reserves the right to select the method in which to remit funds on your behalf to your Biller. These payment methods may include, but may not be limited to, an electronic payment, or a check payment drawn on your account.

PAYMENT CANCELLATION REQUESTS

You may cancel or edit any Scheduled Payment (including recurring payments) by following the directions within the application. There is no charge for canceling or editing a Scheduled Payment. Once the Bill Pay Service has begun processing a payment it cannot be cancelled or edited, therefore a stop payment request must be submitted.

STOP PAYMENT REQUESTS

The Bill Pay Service's ability to process a stop payment request will depend on the payment method and whether or not a check has cleared. The Bill Pay Service may also not have a reasonable opportunity to act on any stop payment request after a payment has been processed. If you desire to stop a payment that has already been processed, you must call us at 1.800.797.6324. Although we will make every effort to accommodate your request, we will have no liability for failing to do so. We may also require you to present your request in writing within fourteen (14) days. Please see your Account Agreement for additional details regarding Stop Payment Orders. The charge for each stop payment request will be the current charge for such service as set out in the [Schedule of Fees and Charges](#).

PROHIBITED PAYMENTS

Payments to Billers outside of the United States or its territories are prohibited through the Bill Pay Service.

EXCEPTION PAYMENTS

Tax payments and court ordered payments may be scheduled through the Bill Pay Service, however such payments are discouraged and must be scheduled at your own risk. In no event shall we be liable for any claims or damages resulting from your scheduling of these types of payments. The Service Guarantee, as it applies to any late payment related changes, is void when these types of payments are scheduled and/or processed by the

Bill Pay Service. We have no obligation to research or resolve any claim resulting from an exception payment. You agree that you will be solely responsible for all research and resolution for any misapplied, mis-posted or misdirected payments.
